To whom it may concern,

Laura Leal & Cimi Auguston are students that are enrolled in good standing at Columbia College Hollywood. Laura & Cimi are currently producing a film titled, ***Never Have I Ever*** for their production workshop class; a course where students develop and shoot their senior thesis projects. As Career Development Coordinator, I can attest that they are well trained in both production and safety techniques, as well as have a deep level of respect for actors and crew on a set.

The college covers $2 million in damage and liability, save a $1,000 deductible, which is the responsibility of the individual student, should the need arise. Per the guidelines of the college, this film is not being made for commercial profit of any kind, and as is the case with many student films, is being shot on a no-frills budget. Therefore, we hope you can provide any aid possible.

If you need further verification, please do not hesitate to contact me directly at careerdevelopment@columbiacollege.edu

Sincerely,

Carin Misterly
